

FOR IMMEDIATE RELEASE

Bridgton, Maine  
June 15, 2010

**Shively Labs® announces the retirement of Joe Rohrer**

Joe joined Shively Labs, a division of Howell Laboratories Inc.®, in May of 1997 and managed Sales-Engineering in the Middle and Southeast portions of the United States, as well as the Caribbean and Central America.

Joe will be handing over his customers to Dale Ladner, who previously was employed at Shively Labs for over 14 years until going to work at Passive Power Products (now Electronic Research Incorporated) and Dielectric Communications.

\*\*\*

The Shively Labs division is North America's largest supplier of FM broadcast antennas, filters, combiners and RF components. Howell Laboratories, an employee owned company, is a leading supplier of specialized marine fluid processing machinery to the United States Navy and to Bath Iron Works and the other Navy building yards.

More information is available on Shively Labs products, please go to [www.shively.com](http://www.shively.com)
